

CSR initiatives(1)

Fukuoka Realty actively conducts CSR activities to meet the demands and expectations of stakeholders, including investors, employees, society, and the global environment, in the aim of being trusted by society and the local community.

■ CSR workshops

From April to December 2011, Fukuoka Realty is hosting CSR workshops attended by CSR personnel from 16 leading local companies, including Fukuoka Realty's sponsor companies.

The series of five workshops covers topics such as corporate ethics, the environment, and contributing to the local community. It aims to provide an overview of CSR and strengthen ties among local companies. Fukuoka Realty plans to conduct CSR activities with local cooperation.
